### INTRO

Front End Web Dev/Designer passionate about the latest UI/UX trends and modern Design. As a highly creative and determined individual, I seek to find my next best fit with a great cultured, challenging and dynamic team.

### EXPERIENCE

#### FRONT END WEB DEVELOPER | SIMPLER TRADING

*March 2017 - Present*

Responsible for Designing and building out Landing Pages, Web Pages, Email Campaigns using up to date, modern techniques while maintaining and updating Main Website. Worked on both the Development and Marketing team to brainstorm the best practices in SEO and marketing tactics and split tests.

#### PROGRAM SPECIALIST | STATE OF TEXAS

*May 2016 - March 2017*

Maintained the Board of Public Accountancy Website, Scheduled and prioritized attorney caseloads; organized case files; prepared fact summaries, and assisted attorneys as needed for hearings, meetings, and interviews.

#### WEB DESIGNER (FREELANCE) | HAYS INTERACTIVE

*Feb 2016 - Present*

While self teaching, I wanted to start doing Freelance projects to hone skills. I started Hays Interactive to build Websites for small business' using my knowledge of HTML, CSS, JavaScript/jQuery, MVC frameworks & Content Management Systems to develop customized and responsive websites for clients.
